

Course Books

You'll receive a list of recommended reading for each topic we teach plus a Lesson by Lesson Guide outlining all the recordings, reading and additional materials.

There are many excellent books in print and the more you read the more you'll incorporate diverse approaches into your practice. Here are the books we advise you buy for each course. Even if you join us at a later stage (e.g. 201), the Year 1 books are highly recommended. Please visit and support The Astrology Shop in Covent Garden when buying your books (see back cover for details).
